## **CHRISTMAS DAY HANDICAP RACE FOR THE CHALLENGE TROPHY**

First held on Boxing Day, 1888, this Rotherham Harriers event can proudly claim to be one of the worlds longest established athletics events. The event began the year after the clubs foundation in 1887 and has continued every year since. The event is truly an amazing piece of athletics history and it belongs to **YOUR** club. And remember, being a handicap race, **ANY ONE OF THE STARTERS CAN WIN.**

The event is a tradition we **MUST** continue at the club. Those who took part in the inaugural event way back on Boxing Day 1888 would have been astonished and proud to witness how Rotherham Harriers have continued to embrace this event. Let's hope that in 100 years time the Harriers of the future are still maintaining this wonderful tradition. The trophy itself is an amazing piece of sporting history, and lists every single winner.

In recent years there has been a strong desire to open the event up to younger athletes, and in 2011 it was decided that 15 year olds could also compete. We now have a trophy for the first under 20 competitor to finish. This is the **Sam Howis Trophy**. Sam won the event in 2008 at the age of 16. Sadly Sam died in 2012, and it was felt by the club that it would be a fitting remembrance to Sam to have a trophy presented in his honour.

This year we again look forward to a good entry. But this year especially the club wishes to see the event graced by the presence of our younger athletes, those who are going to carry on the clubs proud traditions for many years to come. The present 5 mile format has been going for a number of years and now enjoys a spectator friendly route on the pavements around Herringthorpe Playing Fields

All who enter are assured of a fair handicap, provided by the clubs Endurance Coordinator and Coach, Pete Shaw.

**WE ARE LOOKING FORWARD TO SEEING MANY OF YOU ON CHRISTMAS DAY IF YOU CAN MAKE IT.**

Jim Brogan
